

## 6.5.1. Internal Quality Assurance Cell (IQAC)

Internal Quality Assurance Cell (IQAC) has been established to develop a system of conscious, consistent, and catalytic improvement in the overall performance of our institution. IQAC is involved in all major academic, administrative, and student- centric procedures and engages in facilitating academic audits, preparing annual reports, affiliation, and other quality audit processes. The Cell documents and reports the various activities carried out in our institution. Thus, IQAC ensues as the leading system of our institution to ensure quality and continuous improvement toward holistic academic excellence.
