SAE TREK & KRT

(Department of Automobile Engineering & SAEINDIA SSMIET
COLLEGIATE CLUB TREK and Knowledge Round Table)

On August 2, 2014, SAEINDIA, the premier professional society and the largest affiliate of SAE International, USA, launched the Knowledge Round Table focusing on Teaching Learning process that took place at SSM Institute of Engineering and Technology, Dindigul. About 6 delegates from the global and domestic automotive industries participated in this event. The occasion was planned along with a one day TREK event on 03.08.2014 at

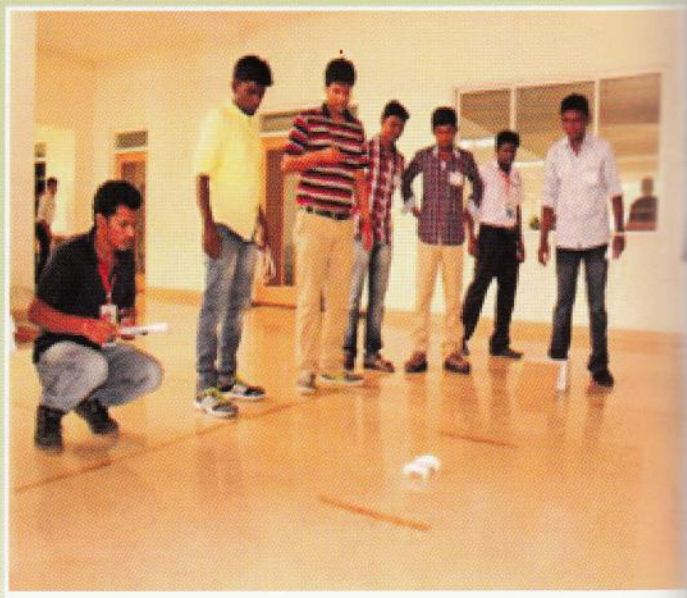

Thandikudi, which attracted 28 registrations from various Engineering Colleges across India. The two day event began with the welcome address by Dr.R.Chandran, Campus Director, SSMIET who appreciated the SAE Activities as they provide an opportunity for Industrial Experts and Academia to get weighed up on the latest technologies in the area of Automobile Engineering. This SAE Trek provided a platform for exchange of ideas and knowledge to continue nurturing growth path through a series of training and lecture sessions for student members of SAE as well as faculty. The two day event was inaugurated by R.Selvamani, Vice-President, R&D, WABCO INDIA LTD., Dr. R. Chandran, Campus Director, SSMIET and Dr.R.Palanichamy, Principal, SSMIET. Mr R. Selvamani, Product Development Director Asia at WABCO, explained his journey with SAEINDIA in his inimitable style and highlighted the bonds developed with SAEINDIA. He instructed the students to get involved so as to be promoted in their career.

Dr. Kannan Rajendran, EEB Champion, explained his association with SAEINDIA more as achievement oriented and filled with action and results in all spheres of work entrusted to him.

Mr. Shanmugam, Secretary, SAEISS, narrated a thought provoking story with a message that Indians should take efforts to reach their goals and explained the Engineering Design process.

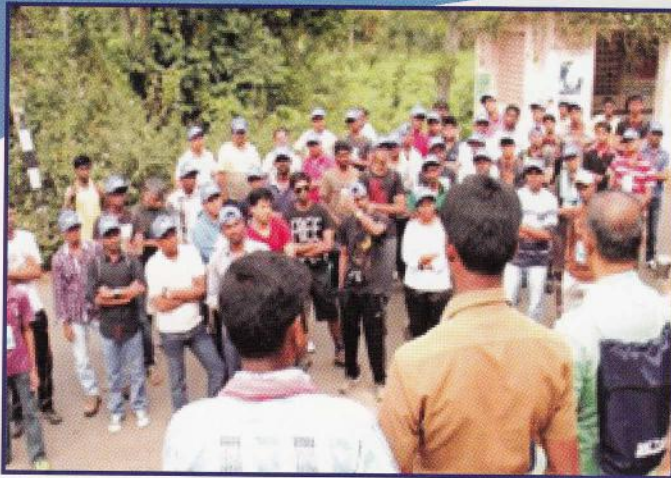

SAE TREK Events:

As part of SAE Trek, an event was organised for Making Jet-Toy car. Before the actual process of car making, a lecture was given by the mentor, to the participants about the design and modeling of a car. After the class, the participants were provided with the materials needed to make a Jet Toy car.

SAE Trek

It was a unique two day programme which was a blend of adventure and learning on 3rd August 2014 from SSMIET, Dindigul to Thandikudi Hills. The trekking locations provided great sense of adventure and bonding while providing some instructional learning pertaining to mobility engineering on the way. The trekking team was accompanied by a highly experienced engineering mentor, who blends learning with environment in the process. The students were challenged by the mentor to solve a problem within a limited time.

The two day event was concluded with a vote of thanks by Mr. Hari Prasath, Faculty Advisor, AP / Automobile Engineering, SSMIET.

SAE India Students Convention Tier 2

The SAE India Students convention-2014 (Tier 2) at South Tamilnadu was hosted by our college. A Total of 175 Students from 18 colleges participated in the event.

Mr. S. Sundar, Advisor-R&D, Rane (Madras) Ltd. Chennai., was the chief guest for this programme.

Events arranged off-campus...
